

ALVI'S DRIFT

221 RANGE CHENIN BLANC 2022

This sparkling bright wine boasts intense, forthcoming aromas of tropical fruit, nectarine and blossom honey, with subtle notes of vanilla. The palate is creamy, with luscious fruit following through, while the refreshing acidity is beautifully balanced with gentle tannins, leading to a lingering fresh, lemony finish. Enjoy this wine immediately, or allow it to mature for another three years.

ON THE VINES

With an ideal Mediterranean microclimate, an abundance of soil diversity and water from the life-giving Breede River, the Alvi's Drift vineyards are ideally positioned for producing remarkable wines of unique character and complexity.

Our vineyards are sustainably fertilised with natural compost produced on our farm. Come harvest time, our grapes are carefully hand harvested from selected Chenin Blanc vineyards in the cool, early morning hours to ensure optimal quality and flavour.

IN THE CELLAR

Only the best-quality, free-run juice was used to produce this unique Chenin Blanc – a truly one-of-a-kind wine unlike any other produced in our cellar.

A blend of barrel-matured and fresh, crisp tank-fermented Chenin Blanc, approximately 25% of this wine was wild yeast-fermented, then aged in predominantly older French oak barrels, but, more recently, also a few French Acacia barrels to add complexity and depth.

The remainder of the wine was fermented in stainless steel tanks, highlighting the wonderful, primary fruit character of this vintage.

HERITAGE

In 1928, the All Black rugby team, known as "the invincibles" was unassailable. They arrived on South African shores after completing an undefeated tour of France and the British colonies, expecting to continue their winning streak. The rugby world was rocked when a young unknown, 19-year old Albertus Viljoen van der Merwe, "Alvi" to his friends, scored the first try in history against the All Blacks on African soil.

Our charismatic founder gripped the rugby world's imagination by scoring this historic try, going on to be selected as the 221st player to play for the Springboks – South Africa's national rugby team. With Alvi in their ranks, the Springboks turned the tide on "the invincibles", going on to tour the UK and Europe undefeated.

Alvi's farm in Worcester, South Africa, has continued this winning legacy, remaining family owned – and home to three generations of the Van der Merwe family – to this day. Today, the family farm is home to the Alvi's Drift winery, known for producing internationally acclaimed, world-class wines of exceptional quality and value.

With our 221 range, we pay tribute to our patriarch, Oupa Alvi, and our winning South African Springbok rugby team.
